Forecast for Monday 23 Aug 2021

Weather: Generally dry with only a few isolated light afternoon showers developing. Always cloudier across eastern peaks such as the Trossachs, with best of the clear and bright spells in western ranges such as Ben More in Mull and the Paps of Jura.

Chance of cloud free mountain/hill tops above 800m: Ranging from 90% in the far west and 60% across the far east.

Visibility: Out with the cloud good, becoming in showers moderate or poor, virtually nil in hill fog with bases broken at times from 600m, mostly in the far east.
